GRADUATION

JUNE 1, 1997

CLASS WILL

We, the members of the Norwood High School Class of 1997, being of relatively sound mind and body, do hereby acknowledge this document to be our Last Will and Testament:

Article 1: To the Class of 1998, the Class of 1997 leaves four 60 minute periods, one 90 minute period, and ..."how many senior privileges?"

Article 2: The Class of 1997 leaves thanks to Mrs. Decoste for her selfless dedication and for allowing the class to fully enjoy and appreciate our senior year, especially the Prom. Also, the Jackson Five called...they want their hair back!

Article 3: The Class of '97 would also like to thank Mr. Usevich for his generosity and commitment and, in return, leaves you with a block lunch period, from 10 AM to noon...prime sun hours to maintain your natural color.

Article 4: The Class of '97 leaves as the only class ever to win two consecutive spirit point contests!

Article 5: Bob Kiklis leaves his skin-tight Calvin Klein T-shirts to any junior that can fit into an extra small.

Article 6: The girls' field hockey team leaves the only blemish on Walpole's perfect record.

Article 7: Kristen Abely leaves NHS headed for the salon. What is her hair color anyway?

Article 8: Chris Dargon and Brendan Cunningham leave their cars in the parking lot with the keys in the ignition for anyone who wants to take them for a spin, but there is one condition: you can't have a licence!

Article 9: Mr. Cook leaves early for Burger King, to beat the Senior lunch crowd.

Article 10: Matt Riolo leaves the Junior girls his Maybelline and Lady Clairol.

Article 11: To Mr. Katchpole, the Class of '97 leaves a pair of Fisher Price dumbbells for his office.

Article 12: Tom "Tool Time" Miskell leaves his vast wardrobe of flannel shirts to his two "baby Miskells".

Article 13: Danielle Saulnier leaves her doctor's phone number for any junior that needs 180 days excused.

Article 14: Steve Gold leaves NHS to host America's Funniest Home Videos.

Article 15: Jess Foote leaves "little Foote" the challenge to live up to the title "Life of the Party".

Article 16: Gimp, Crack, Het, Smooth, Firm, Rough, Dirty, Needs, Nicejob, Dinkus, Carta, and Gripper leave NHS.....but "Where do you go?" BRRRRR!

Article 17: Kevin Howard leaves his pants to the midwest flood relief program.

Article 18: J.J. Jackson, Sean McElroy and Bob Lull leave in a "Fast Car".

Article 19: The Class of '97 leaves Tom DePuis as the most popular kid...that no one knows!

Article 20: Jim Sweeney leaves NHS to play baseball at Holy Cross. That is, of course, if Erin lets him!

Article 21: Paul DeGeorge and Alix Cesvet leave an invitation extended to the Class of '97 to their much anticipated wedding.

Article 22: Meredith Coughlin leaves NHS holding the title of "Egyptian Magician".

Article 23: Matt "biggest Attitude" Boschetto leaves NHS because he ran out of people to hate.

Article 24: Steph Gawlak leaves NHS but not without carrying out the family tradition. By the way, Steph, Mr. Peterson told me that your extra credit homework is on his desk and you can pick it up anytime!

Article 25: Gerald Roth leaves the NHS cafeteria dishroom with fond memories.

Article 26: Dan King leaves NHS...still chasing the dream.

Article 27: Mike Brunson leaves Norwood High because his muscles are getting too big for those narrow hallways.

Article 28: Mike "the Doctor" Kent leaves NHS ready to operate.

Article 29: Bry "Chester" Falcone leaves NHS flattering yet another underclass girl.

Article 30: The Class of 1997 leaves with mixed emotions of joy and nostalgia and the optimism that their future years will bring them as much happiness as their four year on "the Hill"

DEDICATION

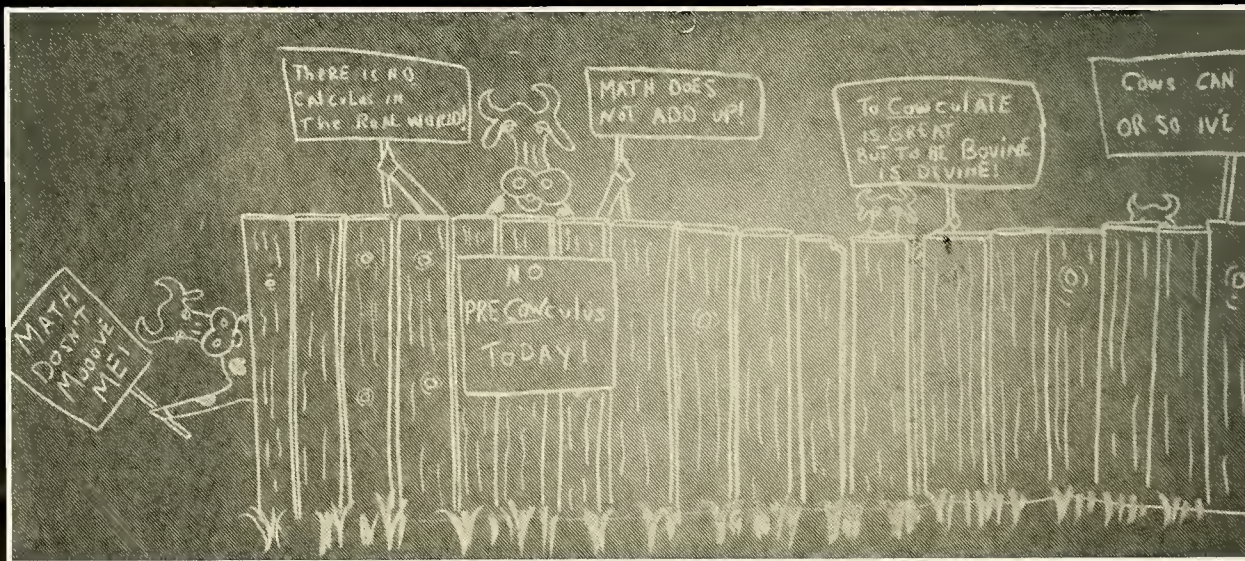

The Class of 1997 proudly dedicates this edition of the Tiot to J. Allen Carver, Mathematics Department Lead Teacher.

Mr. Carver is a member of the Norwood High School Class of 1963. The Tiot that year described him as a "serious student...trustworthy and reliable". He went on for his Bachelor's degree at the University of Massachusetts and received a Masters in Education from Boston State in 1973.

He was appointed teacher in the math department in September of 1967, became Department Head in 1976, and has led the department ever since.

The Yearbook editors especially wish to express their appreciation to Mr. Carver, for this is the first year that the Tiot will be produced from computer disks. His smile and "we can solve that ..." attitude kept the staff going even in the darkest hours. His door was always open; his patience with even the most redundant questions appreciated.

We, the editors, join with the rest of the members of the class in honoring a most respected and popular member of the faculty. We wish him much success in the challenging years ahead.

Origin of Tiot Name

Many years ago, when the Native Americans ruled this region, they gave it the name TIOT. meaning "enclosure of water," in the language of the Neponsets, a branch of the Algonquin trihe. A glance at the map shows how appropriate this picture is, for Norwood is bounded on the North by Planting Field Brook and Purgatory Brook, on the south by Traphole Brook and the Neponset River, on the east by the Neponset River, and on the west by Hawes Brook and Germany Brook.

"Hustle"

Tick tock the game is locked, and nobody else can play. If they do, we will take their shoe and throw it far away.

Tick tock the game has stopped and it's someone else's turn to play.

Almost from the moment a boy laces his first pair of skates, someone is urging him to hustle. His father, his mother, his teammates, his coaches, his fans and even his mother tell him to hustle. He soon discovers that hustle is an attitude. It can be described in many ways. In a phrase, it is "being there first". Hustle wears many faces. Whoops, rollers, scowls, and laughter are all aspects of the devil that motivates hustle. But determination is at the bottom of it all.

Hustle eliminates pain and enhances courage. You give a little more than you, the coach, or your opponent thought you had. It is stops and starts until your lungs jam your rib cage and your breath turns to steam. Hustle is hanging shifts on the fly, and heading right for the goal. Hustle is not talk; it is action.

Hustle is doing one thing while thinking about the next move and the one after that. It is knowing where your teammates will be and sending the puck to him, right on the money. Girls wink at you, players respect you, coaches use you as an example and kids wait for your smile after the game. You'll feel your teammates' sweaty gloves on the back of your neck, and you'll see the crowd jumping in the air. The lights on the score board change and there is a feeling inside that is all your own.

You see, hustle is not just a word. It 's character, personality and habit all rolled into a way of life. It's the thing that makes hockey worth every fleeting minute of the effort.

School Committee Representative

PAUL BISHOP

This year our representative had many interesting things to comment on at the meetings. One of the most interesting was the decision to increase the time of each class to 60 minutes for next year, with one period in the middle of the day at 90 minutes. We thank Paul for his efforts throughout the year.

Latin Club

Jeff Brady, Caitlin Curran, Melodie Doyle, Dan Dynan, Paul Fahy, Meghann Hoffman, Maria LoRusso, Heather Lydon, Scott Norris, Suzy Norton, Jeff Potts, Mike Roth, Heather Scott, Michelle Siciliano, Mike Sullivan, Kevin Sylvia, Gabriel Spear, Christine Tilley, Pat Vardaro, Samantha Wade, Advisor Mrs. Debra Heaton

The Latin Club has just begun at NHS. With 18 active members, we spent the year working out the club's organization, roster and activities. We are members of the National Junior Classical League and the Massachusetts JCL, and will participate in the state convention this year. We hope to get very involved at NHS next year!

This years SADD program under Ms. Pelaggi and the SADD officers' guidance has proved to be quite a success. Besides the chaperoning of dances, SADD members could be seen at the craft affair, car washes, and candle-light vigils. Under the leadership of senior officers Paul Bishop, Annie Powell, Steph Gawlak and Mario Bartucca, SADD-related activities have raised several thousand dollars for the Post-Prom Party and Scholarships. This year's seniors are grateful for the selfless contributions of the SADD members and would like to especially thank Ms. Pelaggi.

SADD Officers: Paul Bishop, Annie Powell, Mario Bartucca, Jay Johnson, Steph Gawlak and Chris Roth.

Under President Wayne Headley, and officers Annie Powell, Chris Roth and Heather O'Rourke, the student council has raised several thousand dollars for the Kevin McNulty scholarship fund. This remarkable accomplishment is also a tribute to its dedicated members. Whether it is a gift drive for the elderly, a food drive for the needy, or a car wash for scholarships, the dedicated student council representatives donate their money, time and efforts. In particular the upper classmen have proved quite beneficial and hope that next years' group can replicate their efforts!

Peer Leadership

The Drug and Alcohol Peer Education group is selected to teach students about the effects of drugs and alcohol on families, and kids. Under the direction of Nora Glynn, These students spend a number of weeks learning about the prevention and abuse of alcohol and drugs. After they have completed their training they go to the elementary schools to teach the younger students what they have learned. These younger students look up to the older students. This group of peer educators works hard and dedicates a lot of time to learn and to teach about the prevention and abuse of drugs and alcohol.

The National Honor Society holds three induction ceremonies a year. New members are inducted because of their success in academics, leadership, character, and service. Even though this is a prestigious society, we support "inclusion, not exclusion."

National Art Honor Society

Our chapter coordinates several fundraising efforts throughout the school year culminating in a trip to a renowned art institution. Hopefully mediation will bloom into a popular group. The group would like to thank Miss Dunn, Mrs. Way, Mr. Forrest, and Ms. Regan for your training and support.

With the assistance of Miss Christine Focht and Ms. Ann Keegan, this program has become a great success in giving seniors a sense of what teaching is really like with hands on experience.

Aids Awareness

The AIDS awareness group deals with teaching first the peer educators and then younger kids about AIDS. The peer educators go through weeks of training, learning about how to prevent the disease, and how to deal with it once you have it. Also it teaches the students how to deal with people around them having the virus. After the peer educators learn the information, they go to the junior high school and teach them what they've learned. The students work hard and dedicate a lot of time learning and teaching about the AIDS virus.

The group's goals have two meanings; both to spread awareness about the origins of such violent acts as discrimination and hate crimes and to promote civil harmony. DRAMA

This year, the Norwood High School Drama Department has made a name for itself with the successful completion of Shakespeare's A Midsummer Night's Dream. In the spring, the Drama department successfully performed a Broadway musical, A Funny Thing Happened on the Way to the Forum, and a mystery, Ten Little Indians. The program owes much of its success to new director John Quinn. Though the program will suffer a minor setback with the graduation of so many talented seniors, it will no doubt become even more popular in the future.

We would also like to thank the Gridiron Club and our Boosters for working extremely hard and raising money for everything we needed. The league was extremely strong this year but with everyone working hard and sticking together we held our own and finished 7-4. In the end we would especially like to thank Coach Lamb for showing us how to achieve our goals on and off the field. Good luck in 97'!

Field Hockey

The 1996 season brought an impressive 11-3-4 record to the Mustang Girls' Field Hockey team, as they finished in 2nd place in the Bay State League. Among the many season highlights were a 1-1 tie with the Walpole Porkers to end their winning streak at 49 games and a 3-2 double-overtime victory over North Attleboro in the first round of the State Tournament. This year's team was led by senior captains Patty Robinson and Annie Powell along with fourteen other outstanding senior athletes. Patty Robinson was named Co-MVP for the BSL Herget division. First team BSL all-stars were Jayne Drummey, Heather O'Rourke, Patty Robinson and Annie Powell. This year's team would like to thank coaches Sharon Steih, Kristin Cieri and Jen Connor for a great season and would like to wish next year's team the best of luck!

Girls' Cross Country

This years' Girls' Cross Country Team had only two returning runners from the previous season, senior Alison McCann and sophomore Holly Pinette. With a record of 4-6, the young runners showed great potential. Under the determination of the two top runners, Allison Lambrecht and Pricilla Soares, the team proved their ability by placing eighth over all in the Eastern Mass Class B meet. The captains, Alison McCann and Christene Puntuso thank all for a great season.

Golf

The Golf Team had a tough season this year finishing 1 and 12. Jim Sweeney was the Captain of this year's team and Joe Palsic was the only other senior in the starting eight. Jim, Joe and Junior Keith Turchan participated in the Bay State Conference match where the three top golfers from each of the 10 teams in the conference compete for ten spots designated for all stars. Jim finished in a three way tie for first place, and came in second in a playoff. Although the squad had a tough season, they were able to enjoy themselves and the competition throughout the course of the season. The Seniors would like to wish next year's team the best of luck.

Girls' Soccer

This year the girls' soccer team had a rebuilding season in one of the toughest leagues around. The soccer team made a huge improvement keeping the scores low. The Mustangs had a great victory half way through the season beating Canton 2-1. The Mustangs were lead by Captains Wendy Backman and Deirdre Mullane. The team had four members make the all-star team. They were Junior Katelyn Mullane and Seniors Wendy Backman, Deirdre Mullane and Suzanne Druker. The team wants to thank Coach Dunn for being a great coach and making this season a season to remember. The Seniors want to wish next years' team good luck and "have a great season."

Boys' Soccer

The boys' soccer team was once again competitive in the Bay State league. The teams 3 wins and 12 losses does not reflect the level of intensity maintained throughout the season. Lead by captains Mike Zervas and Mike Susi, the team reached some impressive goals, including the first ever sweep of a Bay State foe. In addition, great games were played against Dedham, Needham, Walpole, Milton, and Wellesley. The four departing seniors, Mathias Mandigo, Esra Esrason, Mike Susi, and Mike Zervas, would like to thank Coaches Francis Okaroh and Dan Smith for their great support and efforts. Furthermore, this year's seniors wish next season's squad the best of luck.

The spirit and talent of this year's swim team led us to two monumental victories over Dedham and Cambridge. Many swimmers improved their times drastically from last year. Throughout the season memories were made, tears were shed, friendships were formed, and goals were achieved. Losing eight seniors will definitely affect next year's team; however, next year's young team is looking forward to a successful season.

The season started off slow, but ended with a bang!!

With the leadership of tri-captains Ann-Marie, Courtney, and Lindsey, the team finished with a 13-7 record. The team also made Norwood Volleyball history by getting past the first round in the tournament. It never mattered what happened during the season, we always stuck together. We were like another family. We had some laughs, had some cries, but most of all, we had FUN!!

The 1996-97 Boys' Basketball Team, led by senior Tri-captains Jonas Alve, Dan Schultz, and Travis Griffer, had some incredible moments: during the Canton Christmas Tourney Finals, the final night of the BSL season, and when the Team upset the powerful Milton Team (respectively).

The Team was led throughout the season by juniors Tim Kenney, Mike Connolly, Tim Robinson, and Jay Johnson. Other valuable contributors were Jasper Alve, Tim Scott, and Geoff Baguma.

Girls' Basketball

The girls had a tremendous season. They were undefeated in the Bay State League and had two losses overall. The team was led by seniors co-captain Ali Dixon, Co-captain Deirdre Mullane, Patty Robinson and Molly Duggan. Some powerful juniors included Katelyn Mullane, Kim Harris, and Ayana Babbitt. The 1997 team had an unforgettable season and accomplished many goals. This team will never be forgotten and will go down as one of the best teams to ever go through Norwood High. The seniors would like to thank coach Parker and coach Dunn for all their support and encouragement. Also they would like to wish next year's team good luck, we will never forget you and we will be back to see you next year.

Wrestling

Coach Mike McDonough, Assistant Coach John Flemming, Captain Dan King, Assistant Coach Mike Mahoney.

This was a breakthrough year for the Mustang wrestling squad. The team improved from last years' record of 5- to an impressive 14-7 overall, and clinched third place in the Bay State League with a record of 7-3. Led by senior Paul Byrne, Tehron Owens, Mike Floyd and Captain Dan King, this young but experienced team was more than ready. The acquisition of a new mat helped prepare us for what was to be an outstanding season and we were not let down. Highlights took place at Hingham where the Mustangs were the first to beat this squad in 31 matches. Undefeated Framingham and Marshfield were two other teams taken out by the 'Stangs during the season, surprising many. This years' seniors would like to thank coaches Mike McDonough, Mike Mahoney, and John Flemming for a great season and wish next years' team the best of luck.

When I am called to duty, God...Whenever flames may rage...Give me the strength to save some life..Whatever be its age...Help me embrace a little child...Before it is too late...Or save an older person from...The horror of that fate...Enable be to be alert...And hear the weakest shout...And quickly and efficiently,,,To put the fire out...I want to fill my calling and...To give the best in me...To guard my every neighbor and...protect his property...And if according to my fate...I am to lose my life...Please bless with Your protecting hand...My children and my wife.

Where Everybody Knows Your Name

Making your way in the world today;
takes everything you got.

Taking a break from all your worries sure would help a lot.
Wouldn't you like to get away?

Sometimes you want to go where everybody knows your name,
And they're always glad you came.

You want to be where you can see;
The troubles are all the same.
You want to be;
where everybody knows your name.

You want to go where people are all the same.
You want to be where everybody knows your name.
